**Payment is due in full 10 days before the start of all courses. The Snell Group accepts checks, money orders, wire transfers, AMEX, Visa and MasterCard. Purchase Orders are accepted only with an approved purchase order document submitted via fax, mail or e-mail. Until payment is received, a student is not guaranteed a seat in a class.

If a student cancels one week before the start of a class, The Snell Group will refund their payment minus a \$50 USD service fee. If a cancellation occurs less than one week before the course, The Snell Group will refund payment minus a \$150 USD service fee. Students must contact The Snell Group to initiate a refund. Alternatively, a student may receive a credit (less any service fees) toward the cost of another training course offered by The Snell Group. For cancellations within three days of the start of a course, or if a student does not show up at the course, there is no refund.

Please contact us regarding credits and refunds for courses held in Canada.
